### Funding Available for Students

There are financial opportunities for graduate and undergraduate students. Each year Colorado PEAKS Alliance offer ten \$6,000 diversity fellowships and two \$15,000 fellowships to qualified graduate students seeking to earn their Ph.D. In order to qualify for these fellowships, as well as applications for fellowships and summer research please visit our web site at <http://amar.colostate.edu/~agep>, for more information.

### Upcoming Events

#### **Just-In-Time Recruiting Event To Be Held October 3rd & 4th, 2002**

Human Resources-Staffing Group will sponsor an interview event for approximately 16 early career candidates with degrees in Chemistry, Material Science, Computer Science, Engineering, and Physics. These candidates have been pre-selected by LANL's technical recruiters. Candidates from many top Universities will attend. For more information about the Just-In-Time Recruiting Event see <http://www.lanl.gov/recruiting/events>

**John L. Phillips of NASA Johnson Space Center, Houston, TX will present October 21, 2002, 1:30 at the Physics Auditorium.** In April 2001, Phillips had the privilege to visit the International Space Station in low earth orbit as a crew member aboard the Space Shuttle Endeavour. The mission of the crew was to deliver and install a Canadian-built robot arm, as well as to deliver supplies and several scientific experiments. Phillips will present personal impressions of his first flight into orbit and discuss future prospects for human exploration and development of space. This event is open to all badge holders. For more information see the LANL Events Calendar.

### Ask EPO

Have a question, concern, or suggestion about your internship or student programs in general? Email [eramirez@lanl.gov](mailto:eramirez@lanl.gov) and your question could be in the next issue of *Student News, Student Views*. All questions will be held confidential.

**Question 1-** Now that the Laboratory is finally going through with a child care facility, I am interested in getting more information. Also, will students be eligible to use the daycare facility and if so, what are the requirements?

**Answer 1-** Childcare is an important issue to student interns and for more information please contact Carol Mullaney at 6-2321 or via email at [mullaney@lanl.gov](mailto:mullaney@lanl.gov). You can also contact the Student Association at <http://sa.lanl.gov>

## Student Activity

Lifestylez is taking reservations for the Aspen/Snowmass/Highlands/Buttermilk trip this year on December 15-20 and/or January 6-11. You will be taken to a 4,404 foot vertical rise and will conquer the most diverse skiing and snowboarding there is in the United States! You will enjoy Aspen and Snowmass accommodations, restaurants, and shopping. You will *also* be able to see the one and only Coolio, along with many live daily acoustic performances during happy hour!

Download the application from [www.lifestylez.com](http://www.lifestylez.com) or contact Tania V. Martinez at [tania@lanl.gov](mailto:tania@lanl.gov).

## About The Education Program Office...

The Education Program Office is dedicated to developing an employment pipeline for the Laboratory. Efforts begin with K-12 students and teachers and progress through undergraduate and graduate level students. The following teams are located within the Education Program Office: the Math and Science Academy Outreach team, the Laboratory's Student Program Coordination team and the Critical Skills Development Program team. We strive to enhance the learning environment at the Laboratory for both the students and Laboratory staff members.
